Hi Mary,
I just received the enforcement costs for Waukegan Harbor - thank you so much! I feel terrible that I didn't ask you this at the same time, but do you have the total amount for environmental remediation costs?

Thanks!

Rick,

I just received another request from Rep. Kirk's office, asking for the total remediation costs for the Waukegan Harbor superfund site (see message below). How difficult will it be to pull this information together? Also, please let me know if you need further clarification from the Congressman's office. Thank you.

Letter draft received in ORA on 2/27/08. (Ronna)

2/28: Letter sent to Rep. Kirk with cost information requested.

3/10: I called and left a message for Andria to make sure she received the letter. I also asked if there are any other issues the Congressman wants to discuss at the meeting on March 25.
